What Others Say About Us

“The key thing about the Charter deal is it’s all Internet companies that benefit - us, Hulu, Amazon, HBO Now - so that we can all compete for consumers’ affection.”

Reed Hastings
Founder and CEO - Netflix

“Babyfirst supports the merger of Charter Communications and Time Warner Cable because both companies have demonstrated a true commitment to diverse, independent and quality programming for children and their parents, and we look forward to their continued support of our growth.”

Sharon Rechter
Co-Founder-BabyFirst TV

“We support Charter Communications’ pending transactions with Time Warner Cable and Bright House Networks. Charter has long been a strong supporter of minority-owned networks like Bounce TV and we believe that these transactions are in the public interest and will be beneficial to Bounce TV viewers, African Americans and all ethnicities. We are thrilled that New Charter will make the offerings of Time Warner Cable and Bright House more diverse and richer for the more than 14 million African-American television households in the United States that are grossly underserved on television.”

Ambassador Andrew Young
Co-Founder- Bounce TV

“Over the last several years, Charter has demonstrated that it has a pattern and practice of extending fair carriage consideration to independent programming services. Numerous independent programming networks have received carriage from Charter Communications, including AWE.”

Charles Herring

President-One America News Network & AWE
