ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Issuance of 5.500% Senior Notes due 2026

On April 21, 2016 (the “Closing Date”), CCO Holdings, LLC (“CCO Holdings”) and CCO Holdings Capital Corp. (together with CCO Holdings, the “Issuers”), subsidiaries of Charter Communications, Inc. (the “Company”), issued \$1.5 billion aggregate principal amount of 5.500% Senior Notes due 2026 (the “Notes”). The Notes were sold to qualified institutional buyers in reliance on Rule 144A and outside the United States to non-U.S. persons in reliance on Regulation S. The Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The payment obligations under the Notes are guaranteed on a senior unsecured basis by the Company, which guarantee will be released upon the merger of the Company into CCO Holdings, which is expected to occur upon consummation of the previously announced transaction (the “Bright House Transaction”) with Advance/Newhouse Partnership as contemplated by the definitive Contribution Agreement, dated as of March 31, 2015, among the Company, Advance/Newhouse Partnership, A/NPC Holdings LLC, CCH I, LLC (“New Charter”) and Charter Communications Holdings, LLC (as may be amended from time to time, the “Contribution Agreement”).

The offering and sale of the Notes resulted in net proceeds of approximately \$1.49 billion, after deducting initial purchasers’ discounts and commissions. The Company intends to use the net proceeds from the offering, together with the proceeds from the Issuers’ 5.875% Senior Notes due 2024 issued on February 19, 2016, for one or more of the following: (i) to repurchase or redeem the Issuers’ outstanding 7.000% Senior Notes due 2019 and 7.375% Senior Notes due 2020 and pay related fees and expenses; (ii) to repurchase or redeem the Issuers’ outstanding 6.500% Senior Notes due 2021 and pay related fees and expenses and (iii) for general corporate purposes. Any redemption or repurchase of the Issuers’ outstanding 6.500% Senior Notes due 2021 would not take place until after the Company determines the amount, if any, of the incremental cash proceeds to Time Warner Cable Inc. (“TWC”) stockholders if they were to elect \$115 per share in cash rather than \$100 per share as consideration in the previously announced transaction with TWC (the “TWC Transaction” and, together with the Bright House Transaction, the “Transactions”) pursuant to the Agreement and Plan of Mergers, dated as of May 23, 2015, by and among the Company, New Charter, Nina Corporation I, Inc., Nina Company II, LLC, Nina Company III, LLC and TWC, as it may be amended. Any redemption or repurchase of notes would not take place until after such cash elections were determined.

In connection therewith, the Issuers and the Company entered into the following agreements:

Indenture

On the Closing Date, the Issuers and the Company, as guarantor, entered into a Seventh Supplemental Indenture with The Bank of New York Mellon Trust Company, N. A., as trustee (the “Trustee”), providing for the issuance of the Notes and the terms thereof (the “Supplemental Indenture”). The Supplemental Indenture supplements a base indenture entered into on November 5, 2014, among CCOH Safari, LLC, the Issuers, the Company, as guarantor, and the Trustee (the “Base Indenture” and, together with the Supplemental Indenture, the “Indenture”) providing for the issuance of the Notes generally. The Indenture provides, among other things, that the Notes are general

unsecured obligations of the Issuers. Interest is payable on the Notes on each May 1 and November 1, commencing November 1, 2016. At any time and from time to time prior to May 1, 2021, the Issuers may redeem the outstanding Notes in whole or in part at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest, if any, on such Notes to the redemption date, plus a make-whole premium. On or after May 1, 2019, the Issuers may redeem some or all of the outstanding Notes at redemption prices set forth in the Supplemental Indenture. In addition, at any time prior to May 1, 2019, the Issuers may redeem up to 40% of the aggregate principal amount of the Notes using net proceeds from certain equity offerings at a redemption price, as determined by the Issuers, equal to 105.500% of the principal amount thereof, plus accrued and unpaid interest and special interest, if any, to the redemption date, provided that certain conditions are met.

The payment obligations under the Notes are guaranteed on a senior unsecured basis by the Company, which guarantee will be released upon the merger of the Company into CCO Holdings, which is expected to occur upon consummation of the Bright House Transaction.

The terms of the Indenture, among other things, limit the ability of the Issuers to incur additional debt and issue preferred stock; pay dividends or make other restricted payments; make certain investments; grant liens; allow restrictions on the ability of certain of its subsidiaries to pay dividends or make other payments; sell assets; merge or consolidate with other entities; and enter into transactions with affiliates.

Subject to certain limitations, in the event of a Change of Control (as defined in the Supplemental Indenture), the Issuers will be required to make an offer to purchase all of the Notes at a price equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest and special interest, if any, to the date of repurchase thereof.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; failure to pay certain other indebtedness; failure to pay certain final judgments; failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Registration Rights Agreement

In connection with the sale of the Notes, the Issuers and the Company, as guarantor, entered into an Exchange and Registration Rights Agreement with respect to the Notes, dated as of April 21, 2016 (the "Registration Rights Agreement"), with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC, Deutsche Bank Securities Inc., Goldman, Sachs & Co., UBS Securities LLC and Wells Fargo Securities, LLC, as representatives of the several Purchasers (as defined in the Registration Rights Agreement). Under the Registration Rights Agreement, the Issuers and the Company, as guarantor, have agreed to file a registration statement with respect to an offer to exchange the Notes for a new issue of substantially identical notes registered under the Securities Act, to cause the exchange offer registration statement to be declared effective and to consummate the exchange offer no later than 365 days following the date of consummation or termination of the Bright House Transaction in accordance with the terms of the Contribution Agreement and the Amended and Restated Stockholders Agreement, dated as of May 23, 2015, among the Company, Liberty Broadband Corporation, Advance/Newhouse Partnership and New Charter, as may be further amended. The Issuers and the Company, as guarantor, may be required to provide a shelf registration statement to cover resales of the Notes under certain circumstances. If the foregoing obligations are not satisfied, the Issuers may be required to pay holders of the Notes additional interest at a rate of 0.25% per annum of the principal amount thereof for 90 days immediately following the occurrence of any registration default. Thereafter, the amount of additional interest will increase by an additional 0.25% per annum of the principal amount thereof to 0.50% per annum of the principal amount thereof until all registration defaults have been cured.

Copies of the Supplemental Indenture, the form of the Notes, and the Registration Rights Agreement are filed herewith as Exhibits 4.1, 4.2 and 10.1, respectively, and are each incorporated herein by reference. The foregoing descriptions of the Indenture, the Notes and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of those documents.

Forward-looking statements are inherently subject to risks, uncertainties and assumptions including, without limitation, the factors described in the section entitled “Risk Factors” under Part I, Item 1A in our Annual Report on Form 10-K for the year ended December 31, 2015 (the “Annual Report”) and in other reports or documents that we file from time to time with the Securities and Exchange Commission (the “SEC”). Many of the forward-looking statements contained in this communication may be identified by the use of forward-looking words such as “believe,” “expect,” “anticipate,” “should,” “planned,” “will,” “may,” “intend,” “estimated,” “aim,” “on track,” “target,” “opportunity,” “tentative,” “positioning,” “designed,” “create,” “predict,” “project,” “seek,” “would,” “could,” “continue,” “ongoing,” “upside,” “increases” and “potential,” among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this communication are set forth in the Annual Report and in other reports or documents that we file from time to time with the SEC, and include, but are not limited to:

Risks Related to the Transactions:

- delays in the completion of the Transactions;

- the risk that regulatory or other approvals that may be required for the Transactions are delayed, are not obtained or are obtained subject to material conditions that are not anticipated;

- New Charter’s ability to achieve the synergies and value creation contemplated by the Transactions;
- New Charter’s ability to promptly, efficiently and effectively integrate acquired operations into its own operations;
- managing a significantly larger company than before the completion of the Transactions;
- diversion of management time on issues related to the Transactions;
- changes in the Company’s, TWC’s or Bright House’s business, future cash requirements, capital requirements, results of operations, revenues, financial condition and/or cash flows;
- disruption in the existing business relationships of the Company, TWC and Bright House as a result of the Transactions;
- the increase in indebtedness as a result of the Transactions, which will increase interest expense and may decrease the Company’s operating flexibility;
- changes in transaction costs, the amount of fees paid to financial advisors, potential termination fees and potential payments to TWC’s and Bright House’s executive officers in connection with the Transactions;
- operating costs and business disruption that may be greater than expected; and
- the ability to retain and hire key personnel and maintain relationships with providers or other business partners pending completion of the Transactions.

Risks Related to Our Business:

- the ability to sustain and grow revenues and cash flow from operations by offering video, Internet, voice, advertising and other services to residential and commercial customers, to adequately meet the customer experience demands in our markets and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition, the need for innovation and the related capital expenditures;
- the impact of competition from other market participants, including but not limited to incumbent telephone companies, direct broadcast satellite operators, wireless broadband and telephone providers, digital subscriber line (“DSL”) providers, video provided over the Internet and providers of advertising over the Internet;
- general business conditions, economic uncertainty or downturn, unemployment levels and the level of activity in the housing sector;
- the ability to obtain programming at reasonable prices or to raise prices to offset, in whole or in part, the effects of higher programming costs (including retransmission consents);
- the development and deployment of new products and technologies including the Company’s cloud based user interface, Spectrum Guide®, and downloadable security for set-top boxes;
- the effects of governmental regulation on the Company’s business or potential business combination transactions;
- any events that disrupt the Company’s networks, information systems or properties and impair operating activities and negatively impact the Company’s reputation;

- the availability and access, in general, of funds to meet debt obligations prior to or when they become due and to fund operations and necessary capital expenditures, either through (i) cash on hand, (ii) free cash flow, or (iii) access to the capital or credit markets; and
- the ability to comply with all covenants in the indentures and credit facilities of the Company and its subsidiaries, any violation of which, if not cured in a timely manner, could trigger a default of our other obligations under cross-default provisions.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this communication.

The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Supplemental Indenture and the Issuers, the Parent Guarantor and the Trustee, by their execution and delivery of this Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form shall be substantially in the form of Exhibit A (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A (without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(c) *Form of Initial Notes, Etc.* All Initial Notes issued on the Issue Date are being or will be offered and sold by the Initial Purchasers only (i) to QIBs (in which case they will be evidenced by one or more Rule 144A Global Notes) or (ii) in reliance on Regulation S under the Securities Act (in which case they will be evidenced by one or more Regulation S Global Notes).

(i) To permit registrations of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuers' order or at the Registrar's request.

(ii) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.09, 4.11 and 4.16 hereof and Section 9.05 of the Base Indenture).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Supplemental Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Issuers shall not be required to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest (including Special Interest, if any) on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) Each Holder of a Note agrees to indemnify the Issuers and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Supplemental Indenture and/or applicable United States Federal or state securities law.

(x) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Supplemental Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Supplemental Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xi) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

(xii) Notwithstanding anything contained herein, any transfers, replacements or exchanges of Notes, including as contemplated in this Article 2, shall not be deemed to be an incurrence of Indebtedness.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is an additional legally binding obligation of the Issuers and shall be entitled to all of the benefits of this Supplemental Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions of this Supplemental Indenture, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 of the Base Indenture, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than an Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers, or by any Person directly or indirectly controlled by or under direct or indirect common control with the Issuers or, if the TIA is applicable to this Supplemental Indenture, to the extent required by the TIA, any person controlling the Issuers, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Supplemental Indenture.

Section 2.11 Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in its customary manner. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Issuers default in a payment of interest (including Special Interest, if any) on the Notes, the Issuers shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, which interest on defaulted interest shall accrue until the defaulted interest is deemed paid hereunder, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 of the Base Indenture. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers shall fix or cause to be fixed each such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 CUSIP Numbers.

The Issuers in issuing the Notes may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

Section 2.14 FATCA.

The Issuers hereby agree (i) to give notice to the Trustee upon becoming aware that any payment under this Indenture will be treated as a withholdable payment, as such term is used in Sections 1471-1474 of the U. S. Internal Revenue Code of 1986, as amended, and Treasury regulations promulgated thereunder ("*Applicable Law*"); and (ii) that the Trustee shall be entitled to make any withholding or deductions from payments under this Indenture (and shall not be required to pay any additional amounts with respect to any such withholding or deduction on or in respect of the Notes) to the extent necessary to comply with Applicable Law.

ARTICLE 3

REDEMPTION AND PREPAYMENT

With respect to the Notes only, Article 3 of the Base Indenture is hereby replaced with the following:

Section 3.01 Notices to Trustee.

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07, it shall furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth (i) the clause of this Supplemental Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price; provided that the Issuers shall notify the Trustee 5 days prior to any such redemption, which notice period may be waived by the Trustee.

Section 3.02 Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes for redemption, on a pro rata basis, by lot or in accordance with any other method as the Trustee shall deem appropriate, or if the Notes are held in global form, the Notes shall be selected for redemption by the Depository in accordance with its applicable procedures.

In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of a Holder's Notes are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Supplemental Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

Subject to the provisions of Section 3.09, at least 30 days (or, in the case of a redemption, pursuant to Section 3.07(d), 10 days) but not more than 60 days before a redemption date, the Issuers shall transmit or cause to be transmitted, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

(a) the redemption date;

(b) the redemption price;

(c) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption and redeemed ceases to accrue on and after the redemption date;

(g) the paragraph of the Notes and/or Section of this Supplemental Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and

(i) any conditions to the Issuers' obligations to redeem the Notes as contemplated by Section 3.04.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at its expense; *provided, however*, that the Issuers shall have delivered to the Trustee, at least 45 days prior to the redemption date (or such shorter period as to which the Trustee may agree in its sole discretion), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is transmitted in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price; *provided* that any redemption or notice of any redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering, other offering, issuance of Indebtedness, or other transaction or event and notice of any redemption in respect thereof may be given prior to the completion thereof and may be partial as a result of only some of the conditions being satisfied; *provided, however*, that any such conditions precedent shall be set forth in the notice of redemption and that such notice shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption date, or by the redemption date so delayed.

Section 3.05 Deposit of Redemption Price.

At or prior to 10:00 a.m., New York City time, on the redemption date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest (including Special Interest, if any) on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued interest (including Special Interest, if any) on, all Notes to be redeemed.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest (including Special Interest, if any) shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest (including Special Interest, if any) shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 of the Base Indenture.

Section 3.06 Notes Redeemed in Part.

No Notes of \$2,000 principal amount or less shall be redeemed in part. Upon surrender of a Note that is redeemed in part, the Issuers shall issue and, upon the Issuers' written request, the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) Except as set forth in Sections 3.07(b), (c) and (d), the Issuers shall not have the option to redeem the Notes pursuant to this Section 3.07 prior to May 1, 2021. The Issuers shall have the option to redeem the Notes, from and after May 1, 2021, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount of the Notes) set forth below plus accrued and unpaid interest thereon and Special Interest, if any, to the applicable redemption date, if redeemed during the twelve month period beginning on May 1 of the years indicated below:

| <u>Year</u> | <u>Percentage</u> |
|---------------------|-------------------|
| 2021 | 102.750% |
| 2022 | 101.833% |
| 2023 | 100.917% |
| 2024 and thereafter | 100.000% |

(b) At any time prior to May 1, 2019, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes (including the principal

amount of any Additional Notes), at a redemption price of 105.500% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided* that:

(i) at least 60% of the original aggregate principal amount of Notes (including the principal amount of any Additional Notes) issued under this Supplemental Indenture remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuers and their Subsidiaries); and

(ii) the redemption must occur within 180 days of the date of the closing of such Equity Offering.

(c) At any time and from time to time prior to May 1, 2021, the Issuers may redeem outstanding Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof *plus* accrued and unpaid interest and Special Interest, if any, on such Notes to the redemption date *plus* the Make-Whole Premium. The Trustee shall have no responsibility for calculating the Make-Whole Premium.

(d) In the event that the Issuers have made a Change of Control Offer pursuant to Section 4.16, and have purchased not less than 90% of the then outstanding Notes pursuant to such Change of Control Offer, the Issuers may, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the applicable Change of Control Payment Date, redeem all of the Notes that remain outstanding following such Change of Control Payment Date at a redemption price equal to 101% of the principal amount of the Notes so redeemed plus accrued and unpaid interest on the Notes so redeemed to the redemption date.

Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Section 3.01 through 3.06.

Section 3.08 Mandatory Redemption.

Except as otherwise provided in Section 4.11 or Section 4.16 below, the Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

Section 3.09 Offer to Purchase by Application of Excess Proceeds.

In the event that the Issuers shall be required to commence an offer to all Holders to purchase Notes pursuant to Section 4.11 (an "*Asset Sale Offer*"), they shall follow the procedures specified below.

The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than five Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuers shall purchase the principal amount of Notes required to be purchased pursuant to Section 4.11 (the "*Offer Amount*") or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made. Unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no Special Interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer the Issuers shall send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(a) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.11 and the length of time the Asset Sale Offer shall remain open;

(b) the Offer Amount, the purchase price and the Purchase Date;

(c) that any Note not tendered or accepted for payment shall continue to accrue interest;

(d) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date;

(e) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in minimum denominations of \$2,000 and in multiple integrals of \$1,000 in excess thereof only;

(f) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer the Note by book-entry transfer, to the Issuers, the Depositary or the Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(g) that Holders shall be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(h) that, if the aggregate principal amount of Notes surrendered by Holders exceeds the Offer Amount, the Issuers shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in minimum denominations of \$2,000 or integral multiples of \$1,000 in excess thereof, shall be purchased); and

(i) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers shall, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.09. The Issuers, the Depositary or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers shall promptly issue a new Note, and the Trustee, upon written request from the Issuers, shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers shall publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

ARTICLE 4

COVENANTS

With respect to the Notes only, each Issuer hereby agrees to expressly subject itself to the provisions of Article 4 of the Base Indenture and the following Sections 4.03 through 4.19 are hereby added to Article 4 of the Base Indenture:

Section 4.03 Reports.

Whether or not required by the Commission, so long as any Notes are outstanding, the Issuers shall furnish to Holders and the Trustee, within the time periods specified in the Commission's rules and regulations:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuers were required to file such forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and, with respect to the annual information only, a report on the annual consolidated financial statements of the Company by its independent public accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Issuers were required to file such reports.

If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding

paragraph shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

Notwithstanding anything to the contrary set forth above, for so long as the Issuers are direct or indirect majority-owned Subsidiaries of any Parent (or other Person which, directly or indirectly, owns a majority of the outstanding common equity interests of the Issuers), if such Parent (or other Person which, directly or indirectly, owns a majority of the outstanding common equity interests of the Issuers) has provided a guarantee with respect to the Notes and has furnished Holders and filed electronically with the Securities and Exchange Commission, the reports described in the preceding paragraphs with respect to such Parent (or other Person which, directly or indirectly, owns a majority of the outstanding common equity interests of the Issuers) (including any consolidating financial information required by Regulation S-X relating to the Issuers), the Issuers shall be deemed to be in compliance with the provisions of this Section 4.03.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 4.04 Compliance Certificate.

(a) The Issuers shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Issuers and their Subsidiaries during the preceding fiscal year have been made under the supervision of the signing Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled their obligations under this Supplemental Indenture and the Base Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Supplemental Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions of this Supplemental Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuers are taking or propose to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any (including Special Interest, if any), on the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuers are taking or propose to take with respect thereto.

(b) The Issuers shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.05 Taxes.

The Company shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to Holders.

Section 4.06 Stay, Extension and Usury Laws.

Each of the Issuers covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Supplemental Indenture; and each of the Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Restricted Payments.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(a) declare or pay any dividend or make any other payment or distribution on account of its or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable (x) solely in Equity Interests (other than Disqualified Stock) of the Company or (y) in the case of the Company and its Restricted Subsidiaries, to the Company or a Restricted Subsidiary thereof);

(b) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) any Equity Interests of the Company or any direct or indirect Parent of the Company or any Restricted Subsidiary of the Company (other than, in the case of the Company and its Restricted Subsidiaries, any such Equity Interests owned by the Company or any of its Restricted Subsidiaries); or

(c) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of the Company (other than intercompany Indebtedness among the Company and its Restricted Subsidiaries that is permitted to be incurred under this Supplemental Indenture) that is subordinated to the Notes, except a payment of interest or principal at the Stated Maturity thereof

(all such payments and other actions set forth in clauses (a) through (c) above being collectively referred to as "*Restricted Payments*"), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default under this Indenture shall have occurred and be continuing or would occur as a consequence thereof;

(2) the Company would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries from and after April 1, 2010 (excluding Restricted Payments permitted by clauses (2) through (16) of the next succeeding paragraph and made on or after April 1, 2010), shall not exceed, at the date of determination, the sum of:

(a) an amount equal to 100% of the Consolidated EBITDA of the Company for the period beginning on the first day of the fiscal quarter commencing April 1, 2010 to the end of the Company's most recently ended full fiscal quarter for which internal financial statements are available, taken as a single accounting period, *less* the product of 1.3 times the Consolidated Interest Expense of the Company for such period, *plus*

(b) an amount equal to 100% of Capital Stock Sale Proceeds (reduced for purpose of this clause (b) by (A) any amount of such Capital Stock Sale Proceeds (i) used in connection with an Investment made on or after the Issue Date pursuant to clause (5) of the definition of "Permitted Investments," (ii) applied to make a Restricted Payment pursuant to clause (2) or sub-clause (y)(2) of clause (9) or clause (14) below, or (iii) relied upon for purposes of incurring Contribution Indebtedness and (B) the amount of Restricted Payments made pursuant to sub-clause (A)(i), (B) or (C) of clause (8) and sub-clause (y)(1) of clause (9) below, in each case, by an amount not to exceed the amount of Capital Stock Sale Proceeds from any Charter Subsidiary Refinancing Indebtedness or Charter Parent Refinancing Indebtedness), *plus*

(c) \$2.0 billion.

The preceding provisions shall not prohibit:

(1) the payment of any dividend within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Supplemental Indenture;

(2) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness of the Company in exchange for, or out of the net proceeds of, the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock);

(3) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness of the Company or any of its Restricted Subsidiaries with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;

(4) the payment of any dividend or other distribution, which need not be pro rata, to the extent necessary to permit direct or indirect beneficial owners of shares of Capital Stock of the Company to pay federal, state or local income tax liabilities that would arise solely from income of the Company or any of its Restricted Subsidiaries, as the case may be, for the relevant taxable period being attributable to them;

(11) the redemption, repurchase, retirement or other acquisition of any Equity Interests of the Company or Indebtedness of the Issuers or any Equity Interests of any direct or indirect parent of the Company, in exchange for, or out of the proceeds of the substantially concurrent sale (other than to an Issuer or a Restricted Subsidiary) of, Equity Interests of the Company or any direct or indirect parent of the Company (in each case, other than any Disqualified Stock);

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or any of its Restricted Subsidiaries pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this covenant shall be determined by the Board of Directors of the Company, whose resolution with respect thereto shall be delivered to the Trustee. Such Board of Directors' determination must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of national standing if the fair market value exceeds \$100.0 million.

Not later than the date of making any Restricted Payment other than in the form of cash having a fair market value in excess of \$75.0 million, the Issuers shall deliver to the Trustee an Officers' Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this Section 4.07 were computed, together with a copy of any fairness opinion or appraisal required by this Supplemental Indenture.

For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment, when made, met the criteria of more than one of the categories described in clauses (1) through (16) above, or was permitted pursuant to the first paragraph of this Section 4.07, the Issuers will be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07.

Section 4.08 Investments.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) make any Restricted Investment; or
- (2) allow any of its Restricted Subsidiaries to become an Unrestricted Subsidiary,

unless:

- (a) in each case, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and
- (b) in the case of a Restricted Investment only, the Company would, at the time of, and after giving effect to, such Restricted Investment, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10.

An Unrestricted Subsidiary may be redesignated as a Restricted Subsidiary if such redesignation would not cause a Default.

For purposes of determining compliance with this Section 4.08, in the event that an Investment, when made, met the criteria above or was a Permitted Investment, the Issuers will be entitled to classify such Investment (or portion thereof) on the date of its payment or later reclassify such Investment (or portion thereof) (i) as a Permitted Investment or (ii) in any manner that complies with this Section 4.08.

Section 4.09 Dividend and Other Payment Restrictions Affecting Subsidiaries.

The Company shall not, directly or indirectly, create or permit to exist or become effective any encumbrance or restriction on the ability of any of its Restricted Subsidiaries (other than any Restricted Subsidiaries that guarantee the Notes) to:

- (a) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Company or any of its Restricted Subsidiaries; or
- (c) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

However, the preceding restrictions shall not apply to encumbrances or restrictions existing under or by reason of:

- (1) Existing Indebtedness as in effect on the Issue Date (including, without limitation, Indebtedness under any of the Credit Facilities) and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings thereof, *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are no more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in the most restrictive Existing Indebtedness, as in effect on the Issue Date;
- (2) this Supplemental Indenture and the Notes;
- (3) applicable law, rule, regulation or order;
- (4) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Supplemental Indenture to be incurred;
- (5) customary non-assignment provisions in leases, franchise agreements and other commercial agreements entered into in the ordinary course of business and consistent with past practices;
- (6) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on the property so acquired of the nature described in clause (c) of the preceding paragraph;
- (7) any agreement for the sale or other disposition of a Restricted Subsidiary of the Company that restricts distributions by such Restricted Subsidiary pending its sale or other disposition;
- (8) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are no more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (9) Liens securing Indebtedness or other obligations otherwise permitted to be incurred under Section 4.14 that limit the right of the Company or any of its Restricted Subsidiaries to dispose of the assets subject to such Lien;
- (10) provisions with respect to the disposition or distribution of assets or property in joint venture agreements and other similar agreements;
- (11) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(12) restrictions contained in the terms of Indebtedness permitted to be incurred under Section 4.10; *provided* that such restrictions are no more restrictive, taken as a whole, than the terms contained in the most restrictive, together or individually of the Credit Facilities as in effect on the Issue Date;

(13) restrictions that are not materially more restrictive, taken as a whole, than customary provisions in comparable financings and that the management of the Company determines, at the time of such financing, will not materially impair the Issuers' ability to make payments as required under the Notes; and

(14) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuers, not materially more restrictive taken as a whole with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Section 4.10 Incurrence of Indebtedness and Issuance of Preferred Stock.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including, for the avoidance of doubt, Acquired Debt) and the Company shall not issue any Disqualified Stock and shall not permit any of its Restricted Subsidiaries to issue any shares of Disqualified Stock or Preferred Stock, *provided* that the Company or any of its Restricted Subsidiaries may incur Indebtedness (including, for the avoidance of doubt, Acquired Debt) or the Company may issue Disqualified Stock and Restricted Subsidiaries may issue Preferred Stock if the Leverage Ratio of the Company and its Restricted Subsidiaries would have been not greater than 6.0 to 1.0 and in each case, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, at the beginning of the most recently ended fiscal quarter.

The first paragraph of this Section 4.10 shall not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*"):

(1) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness under Credit Facilities; *provided* that the aggregate principal amount of all Indebtedness of the Company and its Restricted Subsidiaries outstanding under this clause (1) for all Credit Facilities of the Company and its Restricted Subsidiaries after giving effect to such incurrence does not exceed an amount equal to \$6.0 billion;

(2) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (including Indebtedness outstanding under Credit Facilities on the Issue Date);

(3) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness represented by the Initial Notes (and any Exchange Notes in respect thereof);

(4) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of construction or improvement (including, without limitation, the cost of design, development, construction, acquisition, transportation, installation, improvement, and migration) of Productive Assets of the Company or any of its Restricted Subsidiaries, in an aggregate principal amount not to exceed the greater of (i) \$1.5 billion and (ii) 5.0% of Consolidated Net Tangible Assets at any time outstanding pursuant to this clause (4);

(5) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, in whole or in part, Indebtedness (other than intercompany Indebtedness) that was permitted by this Supplemental Indenture to be incurred under this clause (5), the first paragraph of this Section 4.10 or clauses (2), (3), (9) or (12) of this second paragraph;

(6) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided* that:

(a) if the Company is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes; and

(b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary thereof and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary thereof, shall be deemed, in each case, to constitute an incurrence of such Indebtedness that was not permitted by this clause (6);

(7) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations (other than for speculative purposes);

(8) the guarantee by the Company or any of its Restricted Subsidiaries of Indebtedness of a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section 4.10;

(9) Acquired Debt or Disqualified Stock of a Person that becomes, or is merged into, a Restricted Subsidiary or any Issuer; *provided, however*, that after giving *pro forma* effect thereto as if such acquisition or merger had been made at the beginning of the applicable quarter period, the Leverage Ratio of the Company and its Restricted Subsidiaries is equal to or less than immediately prior to such transaction;

(10) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or Preferred Stock in an aggregate principal amount at any time outstanding under this clause (10), not to exceed the greater of (i) \$1.5 billion and (ii) 5.0% of Consolidated Net Tangible Assets;

(11) the accretion or amortization of original issue discount and the write up of Indebtedness in accordance with purchase accounting;

(12) Contribution Indebtedness;

(13) Indebtedness arising from agreements of any Issuer or a Restricted Subsidiary providing for and to the extent of indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or a Subsidiary, other than Guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; and

(14) Indebtedness from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within 10 business days of its incurrence.

In the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (14) of the second paragraph of this Section 4.10 or is entitled to be incurred pursuant to the first paragraph of this Section 4.10, the Issuers, in their sole discretion, may classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses or the first paragraph of this Section 4.10. Additionally, all or any portion of any item of Indebtedness may later be reclassified as having been incurred pursuant to any category of permitted Indebtedness described in clauses (1) through (14) above or pursuant to the first paragraph of this Section 4.10 so long as such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be incurred pursuant to such provision at the time of reclassification. At the time of incurrence, the Issuers will be entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described above in this Section 4.10.

Section 4.11 Limitation on Asset Sales.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of;
- (2) such fair market value is determined by the Board of Directors of the Company; and
- (3) at least 75% of the consideration therefor (including by way of relief from, or by any other Person assuming responsibility for, any liability, contingent or otherwise) received by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or readily marketable securities.

For purposes of this Section 4.11, each of the following shall be deemed to be cash:

(a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet) of the Company or any Restricted Subsidiary thereof (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Company or such Restricted Subsidiary from further liability;

(b) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the recipient thereof into cash, Cash Equivalents or readily marketable securities within 180 days after receipt thereof (to the extent of the cash, Cash Equivalents or readily marketable securities received in that conversion);

(c) Productive Assets; and

(d) any Designated Noncash Consideration received by the Issuers or any Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this clause (d) that is at that time outstanding, not to exceed the greater of (i) \$4.5 billion and (ii) 3.0% of Total Assets, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company or a Restricted Subsidiary thereof may apply such Net Proceeds at its option:

(1) to repay or otherwise retire debt under the Credit Facilities or any other Indebtedness of the Restricted Subsidiaries of the Company (other than Indebtedness represented solely by a guarantee of a Restricted Subsidiary of the Company); or

(2) to invest in Productive Assets; *provided* that any such amount of Net Proceeds which the Company or a Restricted Subsidiary thereof has committed to invest in Productive Assets within 365 days of the applicable Asset Sale may be invested in Productive Assets within two years of such Asset Sale.

The amount of any Net Proceeds received from Asset Sales that are not applied or invested as provided in the preceding paragraph shall constitute “*Excess Proceeds*.” When the aggregate amount of Excess Proceeds exceeds \$250.0 million, the Company shall make an Asset Sale Offer to all Holders and all holders of other Indebtedness that is of equal priority with the Notes containing provisions requiring offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer shall be payable in cash and equal to 100.0% of the principal amount of the subject Notes plus accrued and unpaid interest and Special Interest, if any, to the date of purchase. If the aggregate principal amount of Notes and such other Indebtedness of equal priority tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes (on as nearly a pro rata basis as possible among the Notes subject to DTC procedures) and such other Indebtedness of equal priority to be purchased on a *pro rata* basis.

If any Excess Proceeds remain after consummation of an Asset Sale Offer, then the Company or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by this Supplemental Indenture. Upon completion of any Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

In the event that the Company shall be required to commence an offer to Holders to purchase Notes pursuant to this Section 4.11, it shall follow the procedures specified in Section 3.09.

Section 4.12 [Reserved].

Section 4.13 Transactions with Affiliates.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an “*Affiliate Transaction*”), unless:

(1) such Affiliate Transaction is on terms, taken as a whole, that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) the Company delivers to the Trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by the Company or any

such Restricted Subsidiary in excess of \$25.0 million, a resolution of the Board of Directors of the Company or CCI set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.13 and that such Affiliate Transaction has been approved by a majority of the members of such Board of Directors; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by the Company or any such Restricted Subsidiary in excess of \$100.0 million, an opinion as to the fairness to the Company of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The following items shall not be deemed to be Affiliate Transactions and, therefore, shall not be subject to the provisions of the prior paragraph:

- (1) any existing employment agreement entered into by the Company or any of its Subsidiaries and any employment agreement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business;
- (2) transactions between or among the Company and/or its Restricted Subsidiaries;
- (3) payment of reasonable directors fees to Persons who are not otherwise Affiliates of the Company and customary indemnification and insurance arrangements in favor of directors and officers, regardless of affiliation with the Company or any of its Restricted Subsidiaries;
- (4) payment of Management Fees;
- (5) Restricted Payments that are permitted by Section 4.07 and Restricted Investments that are permitted by Section 4.08;
- (6) Permitted Investments;
- (7) transactions pursuant to, and the performance of, agreements existing on the Issue Date, as in effect on the Issue Date, or as subsequently modified, supplemented, or amended, to the extent that any such modifications, supplements or amendments complied with the applicable provisions of the first paragraph of this Section 4.13;
- (8) the assignment and assumption of contracts (which contracts are entered into prior to the Issue Date on an arms-length basis in the ordinary course of business of the relevant Parent), reasonably related to the business of the Company and the assignment and assumption of which would not result in the incurrence of any Indebtedness by the Company or any Restricted Subsidiary to a Restricted Subsidiary by a Parent;
- (9) transactions with a Person that is an Affiliate solely as a result of the fact that the Company or a Restricted Subsidiary controls or otherwise owns Equity Interests of such Person;

(10) equity contributions in, and the issuance of Equity Interests of, the Company; and

(11) any (x) purchases of any class of Indebtedness from, or lending of any class of Indebtedness to, the Company or any of its Restricted Subsidiaries so long as the amount of Indebtedness of such class purchased or loaned by such Affiliates does not exceed 25% of the applicable class of Indebtedness offered to non-Affiliate investors generally and (y) repurchases, redemptions or other retirements for value by the Company or any of its Restricted Subsidiaries of Indebtedness of any class held by any Affiliate of the Company so long as such repurchase, redemption or other retirement for value is on the same terms as are made available to investors holding such class of Indebtedness generally and Affiliates hold no more than 25% of such class of Indebtedness.

Section 4.14 Liens.

The Company shall not, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind securing Indebtedness on any asset of the Company, whether owned on the Issue Date or thereafter acquired, except Permitted Liens.

Section 4.15 Existence.

Subject to, and as permitted under, Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its limited liability company existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; *provided, however*, that the Company shall not be required to preserve or keep the corporate, partnership or other existence of any of its Subsidiaries (other than Capital Corp if the other Issuer is not then a corporation), if the Company shall determine that the preservation or keeping thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.16 Repurchase at the Option of Holders upon a Change of Control Triggering Event.

If a Change of Control Triggering Event occurs, each Holder shall have the right to require the Issuers to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to a "Change of Control Offer." In the Change of Control Offer, the Issuers shall offer a "Change of Control Payment" in cash equal to 101% of the aggregate principal amount of the Notes repurchased *plus* accrued and unpaid interest and Special Interest, if any, thereon to the date of purchase.

Within ten days following any Change of Control Triggering Event, the Issuers shall transmit a notice to each Holder (with a copy to the Trustee) describing the transaction or transactions that constitute the Change of Control Triggering Event and stating:

(1) the purchase price and the purchase date, which shall not exceed 30 Business Days from the date such notice is mailed (the "*Change of Control Payment Date*");

(2) that any Note not tendered shall continue to accrue interest;

(3) that, unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;

(4) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(5) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(6) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.16, the Issuers' compliance with such laws and regulations shall not in and of itself cause a breach of their obligations under this Section 4.16.

On the Change of Control Payment Date, the Issuers shall, to the extent lawful:

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuers.

The Paying Agent shall promptly transmit to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuers shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Issuers to make a Change of Control Offer following a Change of Control Triggering Event shall be applicable regardless of whether or not any other provisions in this Supplemental Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, this Supplemental Indenture does not contain provisions that permit Holders to require that the Issuers repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Notwithstanding any other provision of this Section 4.16, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Supplemental Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding Notes accept a Change of Control Offer and the Issuers purchase all of the Notes held by such Holders, the Issuers will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to the Change of Control Offer described above, to redeem all of the Notes that remain outstanding following such purchase at a redemption price equal to the Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest on the Notes that remain outstanding, to, but not including, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

Section 4.17 Limitations on Issuances of Guarantees of Indebtedness.

The Company shall not permit any of its Restricted Subsidiaries, directly or indirectly, to Guarantee any other Indebtedness of the Company except in respect of the Credit Facilities of the Company (the "*Guaranteed Indebtedness*") unless:

(1) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture providing for the Guarantee (a "*Subsidiary Guarantee*") of the payment of the Notes by such Restricted Subsidiary; and

(2) until all the Notes have been satisfied in full, such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary thereof as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee;

provided that this paragraph shall not be applicable to any Guarantee or any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

If the Guaranteed Indebtedness is subordinated to the Notes, then the Guarantee of such Guaranteed Indebtedness shall be subordinated to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes.

If any Guarantor is released from its obligations on Guaranteed Indebtedness it shall be automatically released from its obligation with respect to its Guarantee of the Notes hereunder.

Section 4.18 Special Interest Notice.

In the event the Issuers are required to pay Special Interest, the Issuers shall provide written notice to the Trustee of the Issuers' obligation to pay Special Interest no later than 15 days prior to the next interest payment date, which notice shall set forth the amount of the Special Interest to be paid by the Issuers on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holders to determine whether the Special Interest is payable or the amount thereof.

Section 4.19 Termination of Covenants.

When the Notes (a) have Investment Grade Ratings from two of the Rating Agencies and (b) no Default or Event of Default has occurred and is continuing, the Company and its Restricted Subsidiaries shall thereafter not be subject to the provisions of Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.13 and clause (D) of the first paragraph of Section 5.01. The Issuers shall give written notice to the Trustee of the satisfaction of conditions (a) and (b) of this Section 4.19.

ARTICLE 5

SUCCESSORS

With respect to the Notes only, each Issuer hereby agrees to expressly subject itself to the provisions of Article 5 of the Base Indenture and Section 5.01 of the Base Indenture is hereby replaced with the following:

Section 5.01 Merger, Consolidation or Sale of Assets.

Neither Issuer may, directly or indirectly: (1) consolidate or merge with or into another Person or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to another Person; unless:

(A) either:

(i) such Issuer is the surviving Person; or

(ii) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia; *provided* that if the Person formed by or surviving any such consolidation or merger with such Issuer is a limited liability company or a Person other than a corporation, a corporate co-issuer shall also be an obligor with respect to the Notes;

(B) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition shall have been made assumes all the obligations of such Issuer under the Notes and this Supplemental Indenture pursuant to a supplemental indenture satisfactory to the Trustee;

(C) immediately after such transaction no Default or Event of Default exists; and

(D) such Issuer or the Person formed by or surviving any such consolidation or merger (if other than such Issuer) will, on the date of such transaction after giving *pro forma* effect thereto and any related financing transactions as if the same had occurred at the beginning of the most recently ended fiscal quarter,

(x) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10; or

(y) have a Leverage Ratio immediately after giving effect to such consolidation or merger no greater than the Leverage Ratio immediately prior to such consolidation or merger.

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person. This Section 5.01 shall not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among any of the Company's Wholly Owned Restricted Subsidiaries.

ARTICLE 6

DEFAULTS AND REMEDIES

With respect to the Notes only, each Issuer hereby agrees to expressly subject itself to the provisions of Article 6 of the Base Indenture and the following clause (8) is hereby added to Section 6.01 of the Base Indenture:

Section 6.01 Events of Default.

(8) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions of Section 4.16 or 5.01.

ARTICLE 7

TRUSTEE

With respect to the Notes only, Article 7 of the Base Indenture is hereby replaced with the following:

Section 7.01 Duties of Trustee.

(1) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Supplemental Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(2) Except during the continuance of an Event of Default:

(a) the duties of the Trustee shall be determined solely by the express provisions of this Supplemental Indenture and the Trustee need perform only those duties that are specifically set forth in this Supplemental Indenture and no others, and no implied covenants or obligations shall be read into this Supplemental Indenture against the Trustee; and

(b) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions required to be furnished to the Trustee hereunder and conforming to the requirements of this Supplemental Indenture. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Supplemental Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(3) The Trustee may not be relieved from liabilities for its own gross negligent action, its own gross negligent failure to act, or its own willful misconduct, except that:

(a) this paragraph (3) does not limit the effect of paragraph (2) of this Section 7.01;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 of the Base Indenture.

(4) Whether or not therein expressly so provided, every provision of this Supplemental Indenture that in any way relates to the Trustee is subject to paragraphs (1), (2), and (3) of this Section 7.01.

(5) No provision of this Supplemental Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Supplemental Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability, claim, damage or expense.

(6) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(7) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or documents.

Section 7.02 Rights of Trustee.

(1) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(2) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its own selection and the written advice or opinion of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(3) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(4) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Supplemental Indenture.

(5) Unless otherwise specifically provided in this Supplemental Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of the Issuers.

(6) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Supplemental Indenture at the request or direction of any of Holder unless such Holder shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(7) The Trustee shall not be charged with knowledge of any Default or Event of Default unless either (a) a Responsible Officer of the Trustee shall have actual knowledge of

such Default or Event of Default or (b) written notice of such Default or Event of Default shall have been given to and received at the Corporate Trust Office of the Trustee by the Issuers or any Holder and such notice references the Notes and this Supplemental Indenture.

(8) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(9) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(10) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(11) The Trustee may request that the Issuers deliver certificates setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Supplemental Indenture.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of the Issuers with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days and apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Supplemental Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Supplemental Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Supplemental Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall deliver to Holders a notice of the Default or Event of Default within 90 days after the Trustee acquires knowledge thereof. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 Reports by Trustee to Holders.

By May 15th of each year, and for so long as any Notes remain outstanding, the Trustee shall transmit to Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit all reports as required by TIA § 313(c).

A copy of each report at the time of its mailing to Holders shall be transmitted to the Company and filed with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Issuers shall promptly notify the Trustee when the Notes are listed or delisted on any stock exchange.

Section 7.07 Compensation and Indemnity.

The Issuers shall pay to the Trustee from time to time compensation as agreed upon in writing for its acceptance of this Supplemental Indenture and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee promptly upon request for all disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers and the Parent Guarantor shall, jointly and severally, indemnify the Trustee and any predecessor trustee against any and all losses, liabilities, claims, damages or expenses (including reasonable legal fees and expenses) including taxes (other than taxes based upon, measured by or determined by the income of the Trustee) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Supplemental Indenture, including the costs and expenses of enforcing this Supplemental Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, damage, claim, liability or expense determined to have been caused by its own gross negligence or willful misconduct. The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity of which a Responsible Officer has received written notice. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Issuers shall pay the reasonable fees and expenses of such counsel. The Issuers need not pay for any settlement made without their consent, which consent shall not be unreasonably withheld.

The obligations of the Issuers in this Section 7.07 shall survive resignation or removal of the Trustee and the satisfaction, discharge or termination of this Supplemental Indenture.

To secure the Issuers' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except such money or property held in trust by the Trustee to pay the principal of and interest on any Notes. Such Lien shall survive the resignation or removal of the Trustee and the satisfaction and discharge of this Supplemental Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Sections 6.01(6) or (7) of the Base Indenture occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08 Replacement of the Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged as bankrupt or as insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers or the Holders of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Issuers any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Supplemental Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10 Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Supplemental Indenture shall always have a Trustee who satisfies the requirements of TIA §§ 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 Preferential Collection of Claims Against the Issuer. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

With respect to the Notes only, clause (a) of Section 8.02 of the Base Indenture is hereby replaced with the following:

(a) the rights of holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest and Special Interest, if any, on the Notes when such payments are due from the trust referred to below;

With respect to the Notes only, Section 8.03 of the Base Indenture is hereby replaced with the following:

Section 8.03 Covenant Defeasance.

For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Supplemental Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 of the Base Indenture of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(3) through 6.01(5) of the Base Indenture and Section 6.01(8) shall not constitute Events of Default.

Unless otherwise expressly specified, references in this Supplemental Indenture to specific Articles, Sections or clauses refer to Articles, Sections and clauses contained in this Supplemental Indenture, unless such Article, Section or clause is incorporated herein by reference to the Base Indenture or no such Article, Section or clause appears in this Supplemental Indenture, in which case such references refer to the applicable section of the Base Indenture.

SATISFACTION AND DISCHARGE

Section 13.01 Satisfaction and Discharge of Supplemental Indenture

This Supplemental Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Notes herein expressly provided for), and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging satisfaction and discharge of this Supplemental Indenture, when

(1) either

(a) all Notes theretofore authenticated and delivered (other than (i) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.07 and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Trustee for cancellation; or

and the Issuers, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest (including Special Interest, if any) to the date of such deposit (in the case of Notes which have become due and payable) or to the maturity or redemption thereof, as the case may be;

Capitalized terms used herein shall have the meanings assigned to them in the Supplemental Indenture referred to below unless otherwise indicated.

1. INTEREST. Each of CCO Holdings, LLC, a Delaware limited liability company, and CCO Holdings Capital Corp., a Delaware corporation, promise to pay interest on the principal amount of this Note at the rate of 5.500% per annum from the Issue Date until maturity. The interest rate on the Notes is subject to increase pursuant to the provisions of the Registration Rights Agreement. The Issuers will pay interest semi-annually in arrears on May 1 and November 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be November 1, 2016. The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1.00% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on April 15 or October 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Supplemental Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Supplemental Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuers issued the Notes under an Indenture dated as of November 5, 2014 (the “*Base Indenture*”), among the Issuers, CCOH Safari, LLC, a Delaware limited liability company, Charter Communications, Inc., a Delaware corporation, as guarantor, and the Trustee, as supplemented by the Seventh Supplemental Indenture dated as of April 21, 2016 (the “*Supplemental Indenture*”), among the Issuers, Charter Communications, Inc., as guarantor, and the Trustee. The terms of the Notes include those stated in the Supplemental Indenture and those made part of the Supplemental Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb). The Notes are subject to all such terms, and Holders are referred to the Supplemental Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Supplemental Indenture, the provisions of the Supplemental Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) On or after May 1, 2021, the Issuers shall have the option to redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Special Interest, if any, thereon to the applicable redemption date, if redeemed during the twelve month period beginning on May 1 of the years indicated below:

| <u>Year</u> | <u>Percentage</u> |
|---------------------|-------------------|
| 2021 | 102.750% |
| 2022 | 101.833% |
| 2023 | 100.917% |
| 2024 and thereafter | 100.000% |

(b) At any time prior to May 1, 2019, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes (including the principal amount of any Additional Notes), at a redemption price of 105.500% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided* that:

(1) at least 60% of the original aggregate principal amount of Notes (including the principal amount of any Additional Notes) issued under the Supplemental Indenture remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuers and their Subsidiaries); and

(2) the redemption must occur within 180 days of the date of the closing of such Equity Offering.

(c) At any time and from time to time prior to May 1, 2021, the Issuers may redeem outstanding Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof *plus* accrued and unpaid interest, if any, on such Notes to the redemption date *plus* the Make-Whole Premium.

(d) In the event that the Issuers have made a Change of Control Offer pursuant to Section 4.16 of the Supplemental Indenture, and have purchased not less than 90% of the then outstanding Notes pursuant to such Change of Control Offer, the Issuers may, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the applicable Change of Control Payment Date, redeem all of the Notes that remain outstanding following such Change of Control Payment Date at a redemption price equal to 101% of the principal amount of the Notes so redeemed plus accrued and unpaid interest on the Notes so redeemed to the redemption date.

6. MANDATORY REDEMPTION. Except as otherwise provided in Paragraph 7 below, the Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

7. REPURCHASE AT OPTION OF HOLDER.

(a) If there is a Change of Control, the Issuers shall make an offer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of purchase. Within 10 days following any Change of Control, the Issuers shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in such notice, pursuant to the procedures required by the Supplemental Indenture and described in such notice.

(b) If the Company or a Restricted Subsidiary thereof consummates any Asset Sale, when the aggregate amount of Excess Proceeds exceeds \$250.0 million, the Company shall commence an offer (an "Asset Sale Offer") pursuant to Section 4.11 of the Supplemental Indenture to all Holders and all holders of other Indebtedness that is of equal priority with the Notes containing provisions requiring offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer will be payable in cash and equal to 100% of principal amount of the subject Notes plus accrued and unpaid interest and Special Interest, if any, to the date of the purchase. If the aggregate principal amount of Notes and such other Indebtedness of equal priority tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other Indebtedness of equal priority to be purchased shall be selected in accordance with the procedures of the Depositary. If any Excess Proceeds remain after consummation of an Asset Sale Offer, then the Company or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by the Supplemental Indenture. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" on the reverse side of the Notes.

8. [Reserved].

9. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Supplemental Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Supplemental Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

11. AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Supplemental Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Any existing Default or compliance with any provision of the Supplemental Indenture or the Notes (other than any provision relating to the right of any Holder to bring suit for the enforcement of any payment of principal, premium, if any, any interest on the Note, on or after the scheduled due dates expressed herein) may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of a Note, the Issuers and the Trustee may amend or supplement the Supplemental Indenture or the Notes (i) to cure any ambiguity, mistake, defect or inconsistency, (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes, (iii) to provide for or confirm the issuance of Additional Notes or the Exchange Notes pursuant to the Registration Rights Agreement, (iv) to provide for the assumption of the Issuers' obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuers' assets, (v) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Supplemental Indenture of any such Holder, (vi) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Supplemental Indenture under the TIA or otherwise as necessary to comply with applicable law, (vii) to make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, or premium, if any, or interest or Special Interest, if any, on the Notes or (viii) to conform the Supplemental Indenture or the Notes to the "Description of Notes" section of the Offering Memorandum.

12. DEFAULTS AND REMEDIES. Each of the following is an Event of Default: (i) default for 30 consecutive days in the payment when due of interest on the Notes,

(ii) default in payment when due of the principal of or premium, if any, on the Notes, (iii) failure by the Company or any of its Restricted Subsidiaries to comply with Sections 4.16 and 5.01 of the Supplemental Indenture, (iv) failure by the Company or any of its Restricted Subsidiaries for 30 consecutive days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% of the principal amount of the Notes outstanding to comply with any of their other covenants or agreements in the Supplemental Indenture, (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists or is created after the date of the Supplemental Indenture, if that default: (a) is caused by a failure to pay at final stated maturity the principal amount of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default"); or (b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100.0 million or more, (vi) failure by the Company or any of its Restricted Subsidiaries to pay final judgments which are non-appealable aggregating in excess of \$100.0 million, net of applicable insurance which has not been denied in writing by the insurer, which judgments are not paid, discharged or stayed for a period of 60 days or (vii) certain events of bankruptcy or insolvency with respect to the Company or any of its Significant Subsidiaries.

In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable without further action or notice. If any other Event of Default occurs and is continuing, the Trustee by notice to the Issuers or the Holders of at least 25% in principal amount of the then outstanding Notes by notice to the Issuers and the Trustee may declare all the Notes to be due and payable.

Holders may not enforce the Supplemental Indenture or the Notes except as provided in the Supplemental Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power with respect to matters relating to the Notes. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest.

The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Supplemental Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes.

The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Supplemental Indenture and the Base Indenture. Upon becoming aware of any Default or Event of Default, the Issuers are required to deliver to the Trustee a statement specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

13. TRUSTEE DEALINGS WITH ISSUERS. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for any Issuer or its Affiliates, and may otherwise deal with any Issuer or its Affiliates, as if it were not the Trustee.

14. NO RECOURSE AGAINST OTHERS. A director, officer, employee, incorporator, member or stockholder of the Issuers, as such, shall not have any liability for any obligations of the Issuers under the Notes or the Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUCT THIS NOTE AND THE SUPPLEMENTAL INDENTURE WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO AND THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE.

16. AUTHENTICATION. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

17. ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Supplemental Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers and the Guarantor agree to use their reasonable best efforts to cause the Exchange Offer Registration Statement to become or be declared effective under the Securities Act as soon as practicable after the Bright House End Date (as defined below). The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with the Exchange Act. The Issuers and the Guarantor further agree to use their reasonable best efforts to complete the Exchange Offer not later than 365 days following the date of consummation or the termination of the Bright House Transaction (the “Bright House End Date”), in each case in accordance with the terms of the Bright House/Liberty Stockholders Agreement and the Contribution Agreement (or if such 365th day is not a business day, the next succeeding business day) (the “Exchange Date”) and to exchange Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn on or prior to the expiration of the Exchange Offer. The Issuers and the Guarantor shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable United States federal and state securities laws to complete the Exchange Offer; provided, however, that in no event shall such period be less than 20 business days after the date notice of the Exchange Offer is mailed to holders. The Exchange Offer will be deemed to have been completed only if the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America. broker-dealers no longer own any Registrable Securities. With respect to such Exchange Offer Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Sections 6(a), (c), (d) and (e) hereof.

(b) If (i) on or prior to the time the Exchange Offer is completed existing law or Commission policy or interpretations are changed such that the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Exchange Offer has not been completed by the Exchange Date, (iii) any Purchaser so requests with respect to Registrable Securities that are not eligible to be exchanged for Exchange Notes in the Exchange Offer and that are held by it following the consummation of the Exchange Offer, or (iv) the Exchange Offer is not available to any holder (other than a Purchaser) which notifies the Issuers in writing, then, in each case, the Issuers and the Guarantor shall, in lieu of (or, in the case of clause (iii) or (iv), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file a “shelf” registration statement in accordance with the remainder of this Section 2(b) below, under the Securities Act with respect to the Notes that could not be exchanged for any reason set forth in clauses (i) through (iv) above. The Issuers and the Guarantor shall, on or prior to 30 business days after the time such obligation to file arises, file a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “Shelf Registration” and such registration statement, the “Shelf Registration Statement”). The Issuers and the Guarantor agree to use their reasonable best efforts (x) to cause the Shelf Registration Statement to become or be declared effective by the Commission on or prior to the later of 365 days (or if such 365th day is not a business day, the next succeeding business day) following the Bright House End Date and the 90th day (or if such 90th day is not a business day, the next succeeding business day) after the date such filing obligations arises (the “Shelf Filing Deadline”) and to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of (i) the second anniversary of the Effective Time or (ii) such time as there are no longer any Registrable Securities outstanding; provided, however, that no holder (other than a Purchaser) shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder, and (y) after the Effective Time of the Shelf Registration Statement, promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to take any action reasonably necessary to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement; provided, however, that nothing in this clause (y) shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Issuers in accordance with Section 3(e)(iii) hereof. The Issuers and the Guarantor further agree to supplement or make amendments to the Shelf Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Issuers and the Guarantor for such Shelf Registration Statement or by the Securities Act for shelf registration, and the Issuers and the Guarantor agree to furnish to each Electing Holder copies of any such supplement or amendment prior to its being used or promptly following its filing with the Commission.

(c) In the event that (i) the Shelf Registration Statement has not become effective or been declared effective by the Commission on or prior to the Shelf Filing Deadline, (ii) the Exchange Offer has not been completed on or prior to the Exchange Date, (iii) the Exchange Offer Registration Statement required by Section 2(a) hereof is filed and becomes or is declared effective but thereafter shall either be withdrawn by the Issuers and the Guarantor or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective, in each case prior to the completion of the Exchange Offer or (iv) the Shelf Registration Statement required by Section 2(b) hereof is filed and becomes or is declared effective but shall thereafter either be withdrawn by the Issuers and the Guarantor or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a “Registration Default” and each period during which a Registration Default has occurred and is continuing, a “Registration Default Period”), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest (“Special Interest”), in addition to the Base Interest, shall accrue on the aggregate principal amount of the outstanding Transfer Restricted Notes (as defined below) affected by such Registration Default at a per annum rate of 0.25% for the first 90 days of the Registration Default Period and at a per annum rate of 0.50% thereafter for the remaining portion of the Registration Default Period, commencing on (A) the 90th day after the filing of such Shelf Registration Statement was required, in the case of clause (i) above (but in no event prior to the 365th day after the Bright House End Date), (B) the 365th day after the Bright House End Date, in the case of clause (ii) above, (C) the day such Exchange Offer Registration Statement ceases to be effective, in the case of clause (iii) above and (D) the day such Shelf Registration Statement ceases to be effective, in the case of clause (iv) above. Following the cure of all Registration Defaults relating to particular Transfer Restricted Notes (which shall be the Effective Time of the Shelf Registration Statement in the case of clause (i) above, the date of the completion of the Exchange Offer, in the case of clause (ii) above, the date that the Exchange Offer Registration Statement again becomes effective, in the case of clause (iii) above, and the date that the Shelf Registration Statement again becomes effective, in the case of clause (iv) above), the interest rate borne by the relevant Transfer Restricted Notes will be reduced to the original interest rate borne by such Transfer Restricted Notes; provided, however, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Notes shall again be increased pursuant to the foregoing provisions. All accrued Special Interest shall be paid in cash by the Issuers and the Guarantor on each Interest Payment Date (as defined in the Indenture). For purposes of this Agreement, “Transfer Restricted Notes” shall mean, with respect to any Registration Default, any Notes or Exchange Notes which have not ceased being Registrable Securities pursuant to the definition thereof in Section 1 of this Agreement. Notwithstanding anything contained herein, Special Interest shall be the sole and exclusive remedy with respect to a Registration Default.

(d) If any Purchaser determines that it is not eligible to participate in the Exchange Offer with respect to the exchange of Registrable Securities constituting any portion of an unsold allotment, at the request of such Purchaser, then, subject to any prohibitions or restrictions imposed by any applicable law or regulations, the Issuers and the Guarantor shall use

their commercially reasonable efforts to issue and deliver to such Purchaser, in exchange for such Registrable Securities, a like principal amount of Exchange Notes. Such issuance shall not be deemed to be part of the Exchange Offer. The Issuers and the Guarantor shall use their commercially reasonable efforts to cause the CUSIP Service Bureau to issue the same CUSIP number for Exchange Notes described in this Section 2(d) as for Exchange Notes issued pursuant to the Exchange Offer. Any such Exchange Notes shall, at the time of issuance, and subject to the limitations set forth in Section 1 hereof, constitute Registrable Securities for purposes of this Agreement (other than Section 2(a) hereof).

(e) The Issuers and the Guarantor shall use their reasonable best efforts to take all actions necessary or advisable to be taken by them to ensure that the transactions contemplated herein are effected as so contemplated in Section 2(a) or 2(b) hereof.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Issuers and the Guarantor shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Issuers' and the Guarantor's obligations with respect to the registration of Exchange Notes as contemplated by Section 2(a) (the "Exchange Offer Registration"), if applicable, the Issuers and the Guarantor shall, as soon as practicable following the Bright House End Date (or as otherwise specified):

to the form of such Exchange Offer Registration Statement, and promptly provide each broker-dealer holding Exchange Notes with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act, as such broker-dealer reasonably may request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Notes;

(iii) prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Notes during the Resale Period, such prospectus conforms in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(xiii) provide the Representatives, in advance of filing thereof with the Commission, a draft of such Exchange Offer Registration Statement substantially in the form to be filed with the Commission, each prospectus included therein or filed with the Commission and each amendment or supplement thereto (including any documents incorporated by reference therein after the initial filing), and shall use their commercially reasonable efforts to reflect in each such document, when so filed with the Commission, such comments as are reasonably proposed.

state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, provided further, however, that notwithstanding anything to the contrary in this clause (vii), any such person (and each employee, representative, or other agent of such person) may disclose to any and all persons, without limitation, the U.S. tax treatment and any facts that may be relevant to the tax structure of the matters covered by and relating to this Agreement (including opinions or other tax analysis that are provided to such party relating to such tax treatment and tax structure); provided, however, that no person (and no employee, representative, or other agent of any person) shall disclose any other information that is not relevant to understanding the tax treatment and tax structure of the matters covered by and relating to this Agreement (including the identity of any party and any information that could lead another to determine the identity of any party), or any other information to the extent that such non-disclosure is reasonably necessary in order to comply with applicable securities law;

(viii) promptly notify each of the Representatives, the Electing Holders, any sales or placement agent therefor and any underwriter thereof (which notification may be made through any managing underwriter that is a representative of such underwriter for such purpose) and confirm such advice in writing, (A) when such Shelf Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto, or any request by the Commission for amendments or supplements to such Shelf Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or, to the knowledge of the Issuers and the Guarantor, threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Issuers and the Guarantor contemplated by Section 3(e)(xvii) or Section 5 hereof cease to be true and correct in all material respects, (E) of the receipt by the Issuers of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or, to the knowledge of the Issuers, threatening of any proceeding for such purpose, or (F) if at any time when a prospectus is required to be delivered under the Securities Act, that such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act, or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(ix) use their reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or any post-effective amendment thereto as soon as practicable;

(xi) furnish to each Electing Holder, each placement or sales agent, if any, therefor, each underwriter, if any, thereof and the respective counsel referred to in Section 3(e)(vi) hereof an executed copy (or, in the case of an Electing Holder, a conformed copy) of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto (in the case of an Electing Holder of Registrable Securities, upon request) and documents incorporated by reference therein) and such number of copies of such Shelf Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Electing Holder, agent or underwriter, as the case may be) and of the prospectus included in such Shelf Registration Statement (including, without limitation, each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act, and such other documents, as such Electing Holder, agent, if any, and underwriter, if any, may reasonably request in order to facilitate the offering and disposition of the Registrable Securities owned by such Electing Holder, offered or sold by such agent or underwritten by such underwriter and to permit such Electing Holder, agent and underwriter to satisfy the prospectus delivery requirements of the Securities Act; and the Issuers and the Guarantor hereby consent to the use of such prospectus (including, without limitation, such preliminary and summary prospectus) and any amendment or supplement thereto by each such Electing Holder and by any such agent and underwriter, in each case in the form most recently provided to such person by the Issuers and the Guarantor, in connection with the offering and sale of the Registrable Securities covered by the prospectus (including, without limitation, such preliminary and summary prospectus) or any supplement or amendment thereto;

each placement or sales agent, if any, therefor and underwriter, if any, thereof shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration is required to remain effective under Section 2(b) above and for so long as may be necessary to enable any such Electing Holder, agent or underwriter to complete its distribution of the Registrable Securities pursuant to such Shelf Registration Statement and (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder, agent, if any, and underwriter, if any, to consummate the disposition in such jurisdictions of such Registrable Securities; provided, however, that none of the Issuers or the Guarantor shall be required for any such purpose to (1) qualify as a foreign corporation or limited liability company, as the case may be, in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws (or other organizational document) or any agreement between it and holders of its ownership interests;

(xviii) notify in writing each holder of Registrable Securities of any proposal by the Issuers and the Guarantor to amend or waive any provision of this Agreement pursuant to Section 9(h) hereof and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the substance of the amendment or waiver proposed or effected, as the case may be;

(xix) in the event that any broker-dealer registered under the Exchange Act shall underwrite any Registrable Securities or participate as a member of an underwriting syndicate or selling group or “assist in the distribution” (within the meaning of the Conduct Rules (the “Conduct Rules”) of the Financial Industry Regulatory Authority, Inc. (“FINRA”) or any successor thereto, as amended from time to time) thereof, whether as a holder of such Registrable Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, assist such broker-dealer in complying with the requirements of such Conduct Rules, including, without limitation, by (A) if such Conduct Rules shall so require, engaging a “qualified independent underwriter” (as defined in such Conduct Rules) to participate in the preparation of the Shelf Registration Statement relating to such Registrable Securities, to exercise usual standards of due diligence in respect thereto and, if any portion of the offering contemplated by such Shelf Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Registrable Securities, (B) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 6 hereof (or to such other customary extent as may be requested by such underwriter), and (C) providing such information to such broker-dealer as may be required in order for such broker-dealer to comply with the requirements of the Conduct Rules; and

untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Issuers or the Guarantor pursuant to Section 3(e)(viii)(F) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Issuers or the Guarantor, such Electing Holder shall deliver to the Issuers and the Guarantor (at the Issuers' or the Guarantor's expense) all copies, other than permanent file copies, then in such Electing Holder's possession of the prospectus covering such Registrable Securities at the time of receipt of such notice.

(g) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Issuers or the Guarantor may require such Electing Holder to furnish to the Issuers or the Guarantor such additional information regarding such Electing Holder and such Electing Holder's intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to notify the Issuers or the Guarantor as promptly as practicable of any inaccuracy or change in information previously furnished by such Electing Holder to the Issuers or the Guarantor or of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly to furnish to the Issuers or the Guarantor any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

SECTION 4. Registration Expenses. The Issuers and the Guarantor agree, subject to the last sentence of this Section 4, to bear and to pay or cause to be paid promptly all expenses incident to the Issuers' and the Guarantor's performance of or compliance with this Agreement, including, without limitation, (a) all Commission and any FINRA registration, filing and review fees and expenses including, without limitation, fees and disbursements of counsel for the placement or sales agent or underwriters in connection with such registration, filing and review, (b) all fees and expenses in connection with the qualification of the Notes for offering and sale under the securities laws and blue sky laws referred to in Section 3(e)(xii) hereof and determination of their eligibility for investment under the laws of such jurisdictions as any managing underwriters or the Electing Holders may designate, including, without limitation, any fees and disbursements of counsel for the Electing Holders or underwriters in connection with such qualification and determination, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each

To the extent that any Registration Expenses are incurred, assumed or paid by any holder of Registrable Securities or any placement or sales agent therefor or underwriter thereof, the Issuers and the Guarantor shall reimburse such person for the full amount of the Registration Expenses so incurred, assumed or paid promptly after receipt of a request therefor. Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all agency fees and commissions and underwriting discounts and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel and experts specifically referred to above.

SECTION 5. Representations, Warranties and Covenants. Except with respect to clauses (a) and (b) below, the Issuers and the Guarantor represent and warrant to, and agree with, each Purchaser and each of the holders from time to time of Registrable Securities the information set forth in this Section 5.

With respect to clauses (a) and (b) below, the Issuers and the Guarantor covenant that:

(a) Each registration statement covering Registrable Securities and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, and, in the case of an underwritten offering of Registrable Securities, at the time of the closing under the underwriting agreement relating thereto, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue

statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(e)(viii)(F) or Section 3(c)(iii) hereof until (ii) such time as the Issuers and the Guarantor furnish an amended or supplemented prospectus pursuant to Section 3(f) or Section 3(c)(iii) hereof, each such registration statement, and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof, as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Issuers and the Guarantor by a holder of Registrable Securities expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a) hereof, when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Issuers and the Guarantor by a holder of Registrable Securities expressly for use therein.

(c) This Agreement has been duly authorized, executed and delivered by the Issuers and the Guarantor.

SECTION 6. Indemnification.

(a) The Issuers and the Guarantor, jointly and severally, agree to indemnify and hold harmless each holder of Registrable Securities or Exchange Notes, as the case may be, covered by any Exchange Offer Registration Statement or Shelf Registration Statement (including each Purchaser and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or (iii) hereof, each holder (which may include any Purchaser) that is a broker-dealer and elects to exchange for Exchange Notes any Registrable Securities that it acquired for its own account as a result of market-making activities or other trading activities (but not directly from the Issuers, the Guarantor or any affiliate of the Issuers) for Exchange Notes) (each an "Exchanging Dealer"), the affiliates, directors, officers, employees and agents of each such holder and each person who controls any such holder within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any

untrue statement or alleged untrue statement of a material fact contained in the Exchange Offer Registration Statement or Shelf Registration Statement as originally filed or in any amendment thereof, or in any preliminary prospectus or the prospectus included in any registration statement, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Issuers and the Guarantor will not be liable in any case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Issuers and the Guarantor by or on behalf of any such holder specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Issuers and the Guarantor may otherwise have.

The Issuers and the Guarantor, jointly and severally, also agree to indemnify or contribute as provided in Section 6(d) to Losses of any underwriter of Registrable Securities or Exchange Notes, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees or agents and each person who controls such underwriter within the meaning of either the Securities Act or the Exchange Act, on substantially the same basis as that of the indemnification of the Purchasers and the selling holders provided in this Section 6(a) and shall, if requested by any holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 3(e)(xvi) hereof.

(b) Each holder of Registrable Securities or Exchange Notes covered by an Exchange Offer Registration Statement or Shelf Registration Statement (including each Purchaser and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or Section 3(f)(iv) hereof, each Exchanging Dealer) severally agrees to indemnify and hold harmless the Issuers, the Guarantor and each of their affiliates, directors, employees, members, managers and agents and each Person who controls the Issuers and the Guarantor within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Issuers and the Guarantor to each such holder, but only with reference to written information relating to such holder furnished to the Issuers and the Guarantor by or on behalf of such holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any such holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent

of the indemnified party, be counsel to the indemnifying party), and, except as provided in the next sentence, after notice from the indemnifying party to such indemnified party of its election to so assume the defense thereof, the indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. Notwithstanding the indemnifying party's rights in the prior sentence, the indemnified party shall have the right to employ its own counsel (and one local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. No indemnifying party shall, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general circumstances or allegations, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties. An indemnifying party shall not be liable under this Section 6 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by such indemnifying party, which consent shall not be unreasonably withheld.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 6 is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party agrees to contribute to the aggregate losses, claims, damages and liabilities (including, without limitation, legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which such indemnifying party may be subject in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the indemnifying party on the one hand and the indemnified party on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. Benefits received by the Issuers shall be deemed to be equal to the sum of (x) the total net proceeds from the initial placement of the Notes (before deducting expenses) reflected in the Purchase Agreement and (y) the total amount of Special Interest which the Issuers were not required to pay as a result of registering the securities covered by the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such

Losses. Benefits received by the Purchasers shall be deemed to be equal to the total purchase discounts and commissions as reflected in the Purchase Agreement, and benefits received by any other holders shall be deemed to be equal to the proceeds received from the sale of the Registrable Securities or Exchange Notes, as applicable. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth in the prospectus forming a part of the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party on the one hand or the indemnified party on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the holders or any agents or underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no holder shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Registrable Securities underwritten by it and distributed to the public exceeds the amount of any damages which such underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The holders' and any underwriters' obligations in this subsection (d) to contribute are several in proportion to the principal amount of Registrable Securities registered or underwritten, as the case may be, by them, and not joint. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 6, each person who controls any holder, agent or underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of a holder, agent or underwriter shall have the same rights to contribution as such holder, agent or underwriter, and each person who controls the Issuers or the Guarantor within the meaning of either the Securities Act or the Exchange Act and each officer and director of the Issuers or the Guarantor shall have the same rights to contribution as the Issuers or the Guarantor, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The provisions of this Section will remain in full force and effect, regardless of any investigation made by or on behalf of any holder or the Issuers or the Guarantor or any of the officers, directors or controlling persons referred to in this Section hereof, and will survive the sale by a holder of securities covered by an Exchange Offer Registration Statement or Shelf Registration Statement.

SECTION 7. Underwritten Offerings.

(a) Selection of Underwriters. If any of the Registrable Securities covered by the Shelf Registration are to be sold pursuant to an underwritten offering, the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to the Issuers and the Guarantor.

(b) Participation by Holders. Each holder of Registrable Securities hereby agrees with each other such holder that no such holder may participate in any underwritten offering hereunder unless such holder (i) agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements with respect to such Registrable Securities approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

(c) Minimum Requirements. With respect to the Notes, the Issuers and the Guarantor shall not have any obligations with respect to any underwriters or underwritten offering except a single underwritten offering of \$270 million or more of Registrable Securities.

SECTION 8. Rule 144.

(a) Each of the Issuers and the Guarantor covenant to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, it shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including, without limitation, the reports under Section 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144, or any similar or successor rule or regulation hereafter adopted by the Commission. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Issuers and the Guarantor shall deliver to such holder a written statement as to whether they have complied with such requirements.

(b) At any time while any of the Notes are "restricted securities" within the meaning of Rule 144, if the Company is no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall prepare and furnish to any Holder, any beneficial owner of the Notes and any prospective purchaser of Notes designated by a Holder or a beneficial owner of the Notes, promptly upon request, the information required pursuant to Rule 144A(d)(4) (or any successor thereto) under the Securities Act in connection with the offer, sale or transfer of Notes.

SECTION 9. Miscellaneous.

(a) No Inconsistent Agreements. The Issuers and the Guarantor represent, warrant, covenant and agree that they have not granted, and shall not grant, registration rights with respect to Registrable Securities or any other Notes which would be inconsistent with the terms contained in this Agreement.

(b) Specific Performance. Except with respect to a Registration Default, the parties hereto acknowledge that there would be no adequate remedy at law if the Issuers or the Guarantor fail to perform any of their obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Issuers or the Guarantor under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction.

(c) Notices. All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when delivered by hand, if delivered personally or by courier, (ii) when sent by facsimile (with written confirmation of receipt), provided that a copy is mailed by registered or certified mail, return receipt requested or (iii) three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: if to the Issuers, c/o CCO Holdings, LLC, 400 Atlantic Street, 10th Floor, Stamford, Connecticut 06901, Attention: General Counsel, Facsimile No.: (203) 564-1377 and if to a holder, to the address of such holder set forth in the security register or other records of the Issuers, or to such other address as the Issuers or any such holder may have furnished to the other in writing in accordance herewith, with a copy in like manner c/o Merrill Lynch, Pierce, Fenner & Smith Incorporated, One Bryant Park, New York, New York 10036, Attention: Legal Department. Notices of change of address shall be effective only upon receipt.

(d) Parties in Interest. All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and the holders from time to time of the Registrable Securities and the respective successors and assigns of the parties hereto and such holders. In the event that any person shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits, and be conclusively deemed to have agreed to be bound by all the applicable terms and provisions, of this Agreement. If the Issuers or the Guarantor shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all the applicable terms hereof.

(e) Survival. The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, any agent or underwriter or any director, officer or partner thereof, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement and the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(g) Headings. The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) Entire Agreement; Amendments. This Agreement and the other writings referred to herein (including, without limitation, the Indenture and the form of Notes) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Issuers, the Guarantor and the holders of at least a majority in aggregate principal amount of the Registrable Securities at the time outstanding. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) Inspection. For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the holders of Registrable Securities shall be made available for inspection and copying, upon reasonable prior notice, on any business day during normal business hours by any holder of Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Notes, the Indenture and this Agreement) at the offices of the Issuers at the address thereof set forth in Section 9(c) above and at the office of the Trustee under the Indenture.

(j) Counterparts. This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

(l) Securities Held by the Issuers, etc. Whenever the consent or approval of holders of a specified percentage of principal amount of Registrable Securities or Exchange Notes is required hereunder, Registrable Securities or Exchange Notes, as applicable, held by the Issuers or their affiliates (other than subsequent holders of Registrable Securities or Exchange

Notes if such subsequent holders are deemed to be affiliates solely by reason of their holdings of such Registrable Securities or Exchange Notes) shall not be counted in determining whether such consent or approval was given by the holders of such required percentage.

(m) Additional Notes. Notwithstanding anything contained herein, any registration statement and exchange offer herein contemplated may include other securities issued by the Issuers and guaranteed by the Guarantor and the other applicable guarantors, if any.

SECTION 10. Release of Guarantor. Notwithstanding anything herein to the contrary, if the Guarantor is released from its obligations under the Indenture in accordance with the terms thereof, the Guarantor shall be automatically released from its obligations hereunder.
